Dear Colleagues,

On behalf of organizing committee of IACCCON-2015 DELHI, I take great pleasure in inviting you to attend the 6th National Clinical Cardiology Update 2015 - DELHI from October 23 - 25, 2015 at New Delhi for practicing cardiologists, cardiology trainees, physicians and Primary health care physicians from across the country.

This three day conference will feature structured evidence based topic discussions providing the delegates an opportunity to learn preventive, diagnostic and advanced Clinical Cardiology from master teachers and trainers. The Organising Committee has invited distinguished eminent national and international faculty to deliver lectures and share their vast experience with participants of IACCCON-2015 DELHI.

The scientific sessions have been designed to address latest updates in diagnosis, management and prevention of ischemic heart diseases, dyslipidemia, diabetes, hypertension, pulmonology, discussions on valvular heart diseases, congenital heart diseases, and updates in heart failure management. In addition the conference will also feature basics in ECG, chest xray highly educative Echo workshop and training program for primary health care physicians in prevention of CVDs.

Through this conference, we wish to train family physicians and primary healthcare physicians to endeavour for "Blessing Healthy Heart to Every Indian".

The host city –New Delhi, is a city which has centuries of history and varied culture. The city is full of ancient monuments, magnificent museums, performing-arts scene and some of the best places to eat.

I look forward to welcome you all at IACCCON 2015 DELHI at New Delhi.
